It has been accepted for inclusion in Yellowstone Youth Conservation Corps (YCC) Resource Education Curriculum (REC) 2014 by an authorized administrator of Wyoming Scholars Repository. For more information, please contact scholcom@uwyo.edu.

Overview of the Resource Education Curriculum Progression

<u>Themes</u>				
Connecting to Place	The Only Constant in this Place is Change	Exploring Perspective	Building Relationships	Transferring the Learning
Essential Question				
How do we explore our connection to this place?	What are the driving forces in this place?	What factors influence perspective?	How do we function symbiotically in this place?	How have I been empowered by these experiences?
